The true purpose of education is to cherish and cultivate the seed of immortality already sown within us, to develop, to their fullest extent, the capacities of every kind with which the God who made us endowed us.

## DEDICATION

This year's yearbook is dedicated to a person who is a main part of Kiski life. He is known and respected by both faculty and students alike. In his 17 years here at Kiski he has done everything from tend the golf greens to help construct the Field House. He is a person who truly cares about the students and the school and will go out of his way to help them if he can, and all of this service is done unselfishly. These qualities are hard to find in an individual today, but when one does find such a person, this person deserves to be recognized. That is this year's yearbook is dedicated to Lyle Rusz.

This year's Varsity Football team, led by co-captains Tracy King and Rick Sikina, ran up a record of seven victories and one defeat. The team won six of their victories by more than ten points. The only close win came at the hands of Mercersburg Academy which Kiski won 8 to 6. The only loss was the last game of the season against a good Shady Side team, 14 to 6.

The team had many fine individuals. Quarterback Gary Vidmer threw for over 1,000 yards. Gary had an outstanding group of receivers to throw to. This group consisted of Rich Sikina, Steve McNeal, Kevin Gmiter, and Mark Owen. The offensive line included Dan Katulich and Frank Sedlacek at guard, Tom Wehe and Dave DeSimone at tackle, and Rob Milsom at center. This powerful line blasted enough holes to allow Tracy King to gain over 1,000 yards.

The Defense was one of the best in the school's history. Dave DeSimone and Rich Short anchored the defense as linebackers. The defensive line was made up of Chip Mardi and Dan Katulich at guards, Tom Wehe and Mike D'ltri at tackle, and Mike Valore and Tony Boova at the ends. The impenetrable secondary included Steve McNeal and Tracy King at defensive halfbacks and Rick Sikina at safety.

All in all, it was a season to be remembered. The coaches deserve much of the credit. Coaches DiOrio, Depew, Kozub, and Whitehead did an excellent job of preparing the team for every game. This season will be thought of for a long time for the outstanding players and the great season.

The Kiski Junior Varsity Football Team ended with a good 2-3 season. The JV's lost 2 games to a tough Kiski Area team. In their first game, Kiski Area won easily, but in their second meeting, the Cougars showed much improvement and gave their opponents quite a bit to worry about.

The J.V.'s had a well-balanced offensive attack this season. Providing the running for the Cougars were Bill Curry, Guy Gengarella, and QB Mike Brunner. Mike had a dependable group of receivers to throw to consisting of Jim DiMarzio Matt Reilly, and Randy Kilbride. The formidable offensive line up of Tom Gainer and Clark Coleman at guards, Benji Bissman and Mark Fleck at tackles, and Jerry Reed at center, opened up many holes for the backs all season. Their presence was especially felt against Shady Side, when they allowed Guy Gengarella to gain over 100 yards and score 3 touchdowns.

The Cougar defense was also tough this year recording two shut outs. The defensive line included Tom Gainer and Bob Allen at guards Mark Fleck and Benji Bissman at tackles, and Bill Wenger and Tom Jones at ends Tus Sasser, Matt Reilly, and Rich Kurtz alternated at linebackers The secondary consisted of Harry Pappas and Randy Kilbride at halfbacks and Guy Gengarella and Mike Brunner alternated at the safety spot

This year's J.V.'s had a respectable mark of 2-3. The Cougars show promise in the coming years of regaining the ISPL championship.

The 1975 Cub Football Team has a disappointing season with a record of zero wins and five losses. Teams such as Kiski Area and Wilkinsburg were on the Cub's schedule and proved to be overpowering. The Team's other games were tough and heartbreaking losses to Latrobe, 21-14, and Shady Side, 6-0. Although the team's record was not impressive, they did play good football and had fun doing it.

This year's Varsity Soccer Team achieved a better record than last year's team. Led by co-captains Bob Webster and John Ratini, the soccer team earned a 3-14-1 record. The record, however, does not speak for the team. The team had few wins and many losses, but the spirit which the players had enabled them to keep the games close right to the end. A good example of this spirit was the Shady Side game. The score was 0-0 at half time, but the Shady Side team was able to score after a miskick in the goal area. Try as they did, the players just couldn't score the points for the tie or win.

The goalie duties were shared by Joe Topel and Doug Petsinger. These two players were responsible for keeping the scores close. Helping the goalies on defense were Rich Locke, Dave Freedman, Dave Cress, Bob Gates, Mark Catanzaro, and Craig Bell, who shared the fullback spots. Spearheading the offense were linemen Joe Govi, John Ratini, Jon Rutter, Bob Webster, Glen Taylor, Pat Greenwell, and Dave Currie. Supporting the front line were halfbacks Kevin Wick, Rick Juve, Phil Botti, Doug Trimble, Mike Schremmer, and Dave Plusquellic.

Although the Soccer Team's record was nothing to brag about, they did learn to play as a team with determination.

THIRD ROW: Jeff Baker, Bill King, John Creighton, Mark Maggio, Ralph Horgan, John Brandon, Charlie Conarro, Chris Buckley, Lee Tippett.

This year's Junior Varsity Soccer Team hopefully will have started a pattern that will be followed by the Kiski Soccer teams for a long time to come. They established a precedent by having a winning season. With good coaching and a mixture of young players and experienced players, the team compiled a record of 5-4-2.

People to watch for in seasons ahead are Ralph Horgan, Harry Millar, Leo Chien, Bill King, Mark Schumacher, Chris Buckley, Lee Tippett, Greg Moore, John Brandon, John Creighton, Scott Doolittle, and Jeff Baker. Seniors who will not be back but contributed to the team's success are Bill Cardille, Matt Coppola, Kevin Coit, Elliot Rulin, Gregg Collins, and Jeff Birrell.

The Highlights of the season were the final two games against Sewickley and Shady Side, both of whom beat Kiski earlier in the year. Kiski made up for the losses with a win at Sewickley and a hard-fought 0-0 tie against arch rival Shady Side. The game against Shady Side was as close and as intense as the score indicated. It showed a Kiski soccer team that used determination and desire all year long to achieve a successful season.

Future Kiski soccer teams will hopefully follow the example set by this year's J.V. Team.

The freshman soccer team had a very successful season this year. Their final record was 5-3. The Cub soccer team had a 5-0 record before losing their first game to Shady Side. All of their wins were fairly one-sided with the exception of a close 1-0 win over Elderton. The freshman team put their greatest effort of the year in losing to an always tough Mt. Lebanon Club, 4-2.

The Cubbies' most consistent scorers were Barry Haffner and Rich Floro. The rest of the starting team consisted of Tom Reminger, Mike Rock, and Neil Thompson at forwards, Dave Wick and John Park at halfbacks, Joel Bamonte, Charlie Roberts and Jim Nardulli at fullbacks, and Tom Keeley at goalie. Different captains were chosen for every game. The various captains throughout the year were Mike Rock, Rich Floro, Tom Keeley, Charlie Roberts, Jim Nardulli, Tom Reminger, and Barry Haffner. Substitutes who saw a lot of action this year were Tom Moran, Alan Katz, John Zold, Matt Morris, Jim Hoffman, and Tim Schremmer.

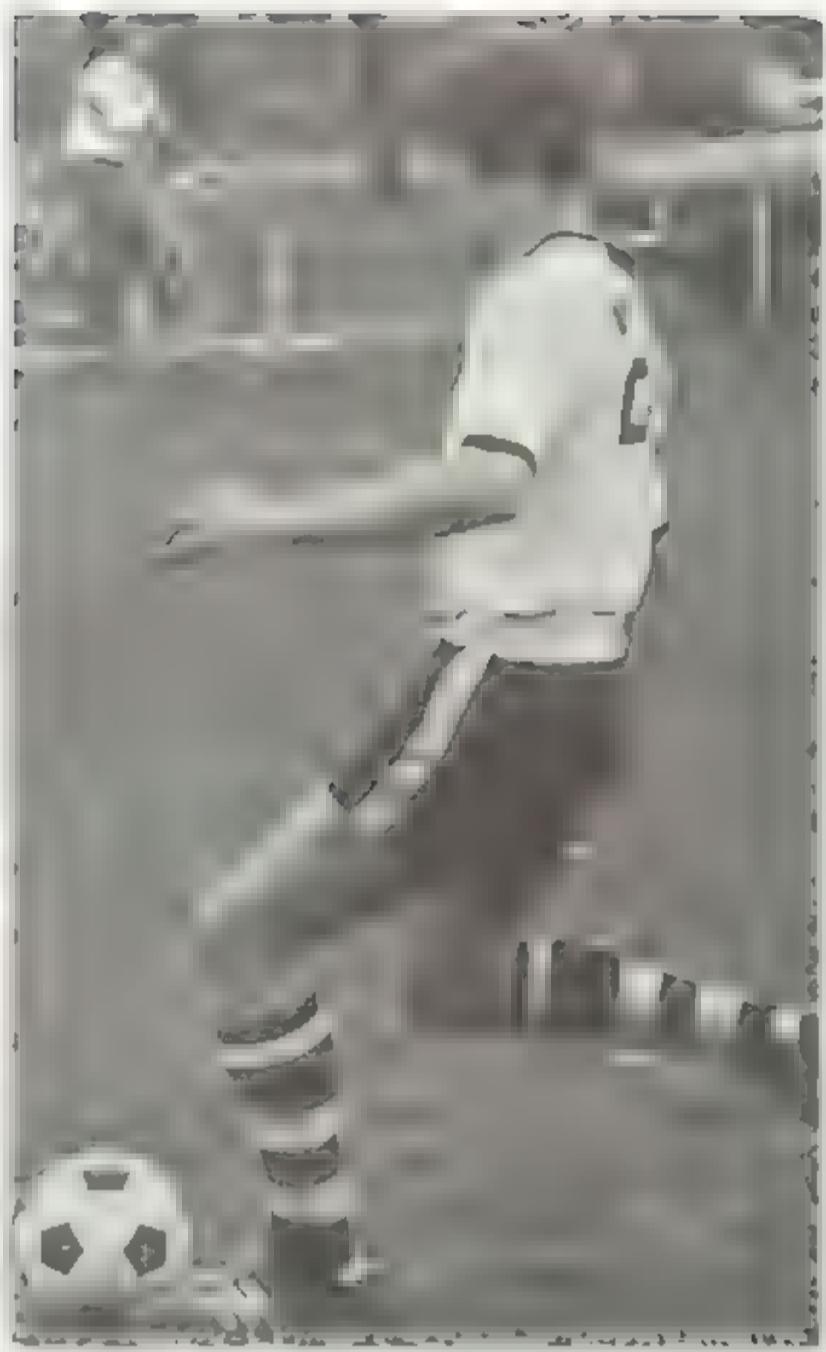

The freshmen has a lot of fun this season, too. The Junior Varsity and Varsity teams have a lot of good talent to look forward to next year.

The 1975 Cross-Country Team experienced a very unlucky season. Injuries and a lack of depth kept the team from winning many meets. The final record was 2-7.

Five runners came to Kiski on September 3 for pre-season. An early morning run to Slickville and an afternoon practice made up each pre-season day.

Harassed by injury from start to finish, the team has an unsuccessful season. Captain Jeff Henry, Rick Wolfson, Charlie Tourtillotte, and Bob Sands, all seniors, had bad luck throughout the season because of injuries. Though Henry and Wolfson turned in fine performances when they were not hurt. In fact, the two recorded five firsts and a second for Kiski during the season. Junior Jim Saumby ran many fine races, placing third three times and second twice. Jim should be quite an asset to the team next year.

Sophomores John Aigler, Jon Krizner, Jeff Duncan, and John Nordstrom should help form the nucleus of next year's team. Kiski missed the league title this year, but the runners have a very good chance of taking it in 1976.

This year's Varsity Basketball team had a very successful season, ending the year with an 18-5 record and an eight game winning streak. The cougars raced to a surprising 7-1 record before the Christmas break. After Christmas, the Cougars lost four tough road games to Shady Side, Nichols, Western Reserve Academy, and Lawrenceville Catholic. The cougars accomplished something this year that has not been done for some time at Kiski: they went undefeated on their home court. A twelve game winning streak at home terminated with a 54-45 win over Shady Side.

The highlight of the year was the one point victory over a highly favored Blairsville team. The Blairsville Hoopsters sported an 18-1 record before they met the Cougars and fell 64-63. This victory got the Cougars rolling again. They had just lost to W.R.A. and it appeared as though the cougars were in for a case of the late season "blahs." The victory over Blairsville gave the team a lift as they defeated University School, U.S. was a highly favored team since they possessed a seven foot center. Kiski remained undaunted and defeated U.S. 65-58 with a third quarter push.

## Varsity Basketball

FIRST ROW: Mike Brunner, Harry Pappas, Guy Gingarella, Andy Kavadas, Tom Sasser, Matt Reilly. BACK ROW: Jim Creighton, Charlie Conarro, Perry Shaver, Ralph Horgan, Dave Iammarino, Dave Currie, Jeff Baker, John Krizner.

Kiski's Junior Varsity basketball ended up with a nearly perfect 17-1 season this year. Harry Pappas's ball handling, Mike Brunner's strong defense, and Ralph Horgan's, Charlie Conarro's, and Jon Krizner's devastating outside shooting led the hoopsters to their remarkable season. Coming off the bench to add to the Cougar attack were Guy Gingarella, Matt Reilly, and Dave Currie. Kiski's hopes for an untarnished record were dampened when Sewickley Academy upset the Cougars 52-51. Kiski was down by 10 points at halftime but the Cougars came back in the third quarter after a long talk by coaches Whitehead and Depew. The Cougars' tenacious full-court press seemed to pay off, but in spite of their great efforts, the Cougars lost in the final seconds when Sewickley stole the ball and scored.

The Cougars roiled up an amazing 1,002 points over an 18 game schedule. The Kiski defense held their opponents to a mere 700 points. Kiski averaged 55.7 points a game while holding the opposition to 39.7. The J.V. starters will make up the nucleus of next year's Varsity team and show that the Varsity definitely has something to look forward to in the future.

The Freshman Basketball team ended up the season with a fair record of five wins and seven losses. They consistently ran up against tough opposition all season. The only exception was their first game against an extremely big Penn Hills team. They suffered a heavy loss 56-20. The second game was with a tough team from Greensburg Central Catholic. The cougars appeared to have won the game when a Greensburg player made a last-ditch desperation shot that went in for a Greensburg win. The third game was against Avalon and the Cougars suffered another loss. Then the Cougars played a strong team from St. Fidelis and won. Their next game was a home game with St. Fidelis and they won that one, too. The Cougars then lost their next four games; one to Lawrenceville Catholic, one to Avalon, and two close contests to an always tough Homer Center team. The Cougars then got back on the winning track by defeating Marion Center. The season was climaxed by two strong wins over arch-rival Shady Side.

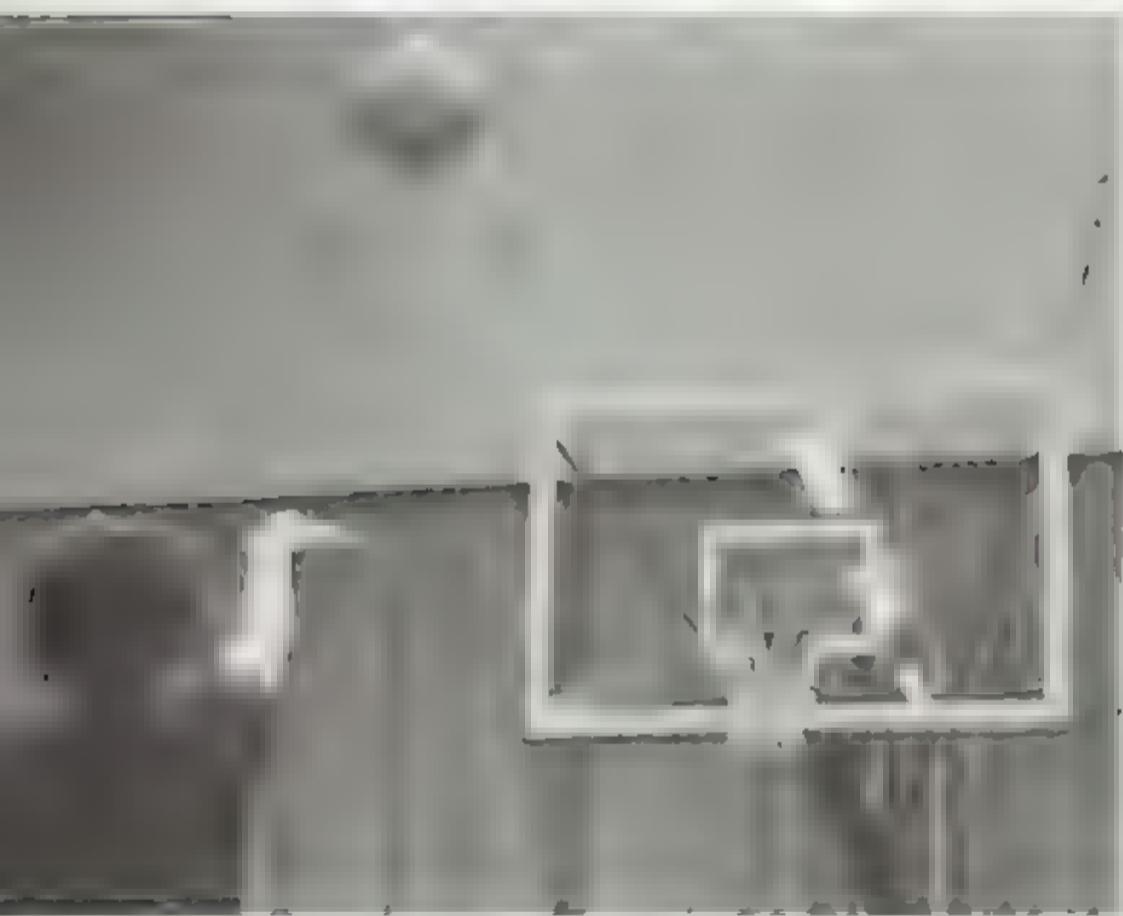

The players who made up the starting five for the freshmen were Tom Jones, an outstanding center, Regis Bobonis, a consistent rebounder at forward, Rich Floro, a fine ball-handling point guard, and two quick guards Kevin Remaley and Don Whitehouse. Gerry Reed came off the bench to help the Cougar's rebounding power and Reed Hunter often came in to aid the team with his consistent outside shooting.

Although the Kiski Varsity Wrestling Team did not have a winning season, several wrestlers finished the season with excellent records. Their success cannot be measured in the team record of 7-10-1. Many of these losses were close and could have been won with a few lucky breaks for Kiski. In the league, Kiski posted a 1-3 season. Captain Rich Short had a tremendous season. Rich was the top-seated wrestler in the Westmoreland County Championship at 185-lbs. Because of an illness, Rich was not in his best condition but still showed his great talent by taking third place. Also showing outstanding records were Tony Boova at 155 lbs., Mike Valore at 145 lbs., and Tom Wehe at 167 lbs. Tony showed his ability by finishing third at the WCL after only being seated fifth. Mike, a sophomore, finished second at the WCL in a very close match which went down to the final seconds. Tom made it to the quarter-finals of the WCL in the extremely competitive 167 lbs. weight class.

The grapplers also participated in two tournaments. In their own Kiski Quadrangular, the Cougars placed second by posting a 1-1-1 record for the day. At Mercersburg Triangular, Kiski went undefeated for the day and won it.

Kiski's new wrestling coach, Mr. Steva, proved to be one of the best in the business. His experience helped several Kiski wrestlers improve to nearly full potential and produced good seasons for them. With a few more breaks in Kiski's favor, the Cougars could have had a more respectable season overall.

FRONT ROW: Dean Matala, Don Nease, Kings Kellard, Scott Gainer, Mike Rock, Randy Kitbride, Tom Catanzaro, Jim Allen, Mike McConville, Barry Edinger, Steve Connelly, Bob Fugino, John E. Tad Imbre, Joe D'Onofrio, Paul Benton, Fred Siciliano.

The Junior Varsity Wrestling Team, coached by Mr. Shupe, showed that Kiski has some good wrestling talent to look forward to in future years. Led by captain Scott Hornock, the J.V.'s got off to a good start against W.P.S.D. by winning 24-15. Making pins for Kiski were Scott Hornock, Tom Gainer, Jeff Catanzaro, and Mike Rock. The J.V.'s next match was against a surprisingly easy team from Yough. Kiski overpowered them by the score of 40-3. Their next match was against the most powerful team they would face all season. The Cougars lost to a strong Blairsville team but Jeff Catanzaro and Scott Hornock proved themselves by winning their matches. The next match was against Mt. Pleasant. The J.V.'s lost but pins came from Jeff Catanzaro, Tom Gainer, and Mark Fleck. The next match was against Ambridge and the Cougars got back on the winning track with a score of 22-19. Pins came from Scott Hornock and Joe D'Onofrio, and major decisions were won by Murt Connelly and Randy Kitbride. The next match was against Pittsburgh Central Catholic, and once more the Cougars proved what they were worth. Winning 28-11, pins were recorded by Scott Hornock, Mike Rock, Tom Gainer, and Bob Allen. Ford City proved to be too much and the Cougars lost a close match. Shady Side was to be the J.V.'s final opponent, but due to certain circumstances Shady Side had to cancel the match. Even though the Cougars didn't get a chance to beat Shady Side, they still ended up with a respectable 4-3 record.

Success was the story of the 1975-76 swimming team as they compiled a six and one dual meet record. Even though Kiski finished third at the ISSL championships, it wasn't indicative of the hard work, and long yardage put in by the swimmers. Having swum approximately 300 miles this season, more than any previous swimming team had done, this year's team proved to be one of the best ever.

Having opened the season with wins over Fox Chapel, Shaler, Gilmour, and Shady Side Academy, the swimming team put their unblemished record on the line against the perennial swimming power, Hawken. The swimmers produced an excellent effort but could not overcome the defending league champion, Hawken School. Kiski finished the season by defeating Western Reserve Academy and the University School to close the season on a winning note. Forfeiting the county Championships, due to an outbreak of sickness, the swimmers were "psyched up, shaved down, and tapered" for the ISSL Championships. Because of one of Mr. Pidgeon's most successful tapers, Kiski was able to qualify fifteen swimmers and one diver for the finals, more than any other team in the league. Hopes were high for another coveted championship, but as Mr. Pidgeon said after the meet, "We just ran out of gas."

At the beginning of the 1975-1976 season, prospects looked dim for the J.V. swimming team. With only four returning swimmers, the team faced a year of rebuilding, but under the strict guidance of Mr. Tacke, they had a successful season. After many tough workouts, the team had their first meet with Shaler, in which they suffered a heartbreaking loss.

After returning from Christmas break, they traveled to Franklin Regional to capture their first win. The team then went on to trounce Penn Hills soundly. In their next meet, the now powerful J.V. swimming team easily crushed Churchill 100-63. In their last meet of the season, the team went to a tri-meet with Churchill and North Allegheny. The team took third place, only eight points behind the winners. This gave the team a 2-2 record. Many outstanding performances were turned in by the team members.

SKI

PAIN!  
IT'S A GOOD THING.

# Lyle and Howard

In the Field House there work two people who are as much a part of the Kiski way as white shirts and Kiski blazers. These two are Lyle Rusz and Howard Stiffey. At any given time one can walk into the Field House and find them both working at their regular chores.

Lyle is responsible for, and hands out, all the athletic equipment. Hardly a day goes by that one does not hear the famous, "Towel Lyle!" echoing through the locker room. Lyle is always good natured, takes a concern for the students, and is always willing to just stand around and shoot the breeze with anyone.

Howard helps to maintain the Field House and keep it clean. He can be seen just about anywhere, cleaning the lobby windows, or sweeping the gym floor, and is always good for a laugh. When he's not busy doing his work he can usually be seen standing around with Lyle just talking and smoking.

The work that both Lyle and Howard do may seem unimportant, but without it, the athletic program here at Kiski would be impossible.

# Training Room

Somewhere between the locker room and the athletic fields there exists the Training Room. This is where the athletes who are wounded in battle are patched back up and sent back out.

The Training Room is overseen by the faculty supervisor, Mr. Fabian. The staff is headed by senior Louis Tripoli, who is a veteran trainer. Under Lou are juniors Ralph Robinson, John Thompson, and Dave Iammarino. The sophomore trainers are Nat Carbone, William Corbin, and James Markitell. John Moorehead is the sole freshman trainer.

The trainers are taught the basic medical skills to help deal with athletic injuries. These skills range from learning to wrap a sprained ankle to how to give rubdowns. They help to maintain the Kiski athlete and make the trainer feel a little more involved in the athletic program.

Looking at the list of this year's juniors the training room will be well equipped for next year's wave of injuries. Mr. Fabian hopes to send all of this year's trainers to a training seminar this summer, for it helps to prepare the trainer better, as Lou Tripoli and John Thompson, who have already gone, have shown.

The New Dorm? A strange name for a dorm but it says what it means. There are twenty-three of us in the New Dorm, all never to be seen at once. On occasion usually on Tuesday night at 8:00 P.M. "the Fonz", Richie, "Potsie", and "Ralph Mouth", manage to get twenty-two of us together at one time, but only for a half an hour. This, of course, was due to the wide variety of interests and activities of the "New Dormers". Mr. DiOrio the dorm-master, obviously knew whom he wanted in his dorm for the 1975-1976 Senior Year, for the

majority of the students in the New Dorm were pretty fair athletes with many representative stars and captains from each of the various teams. New Dorm also contains most of the "one-year" students, coincidentally combined with many "four-year freaks." The students of the New Dorm have many good friends, and a few not so good, but by and large everyone is able to coexist, acquiring new friendships as well as reestablishing old ones — All that will last the length of each person's lifetime.

## New Dorm

MacColl Hall FIRST FLOOR: Members of Naper's crew from both floors: Greg Makhov, Dan Stilz, Harry Tacke, Mr. Steve McNeal, Dave Cress, Tom Wehe, SEOND FLOOR: Seniors: Ralph K. Evans, John Hannibal, Mr. McGregor, Howard Rosenfeld, Alan Lynch, Mike Brunner, Jim Pranis, Mark Fleck, Lee Thompson, Dale DeSimone, Lee Tippett, Rick Depew, Dave Freedman, MESSMEN: Don Mosites, Bob Swain.

MacColl Hall is a great dorm. It is not at all a senior dorm — it contains juniors also — but it gets many privileges of a senior dorm.

On the second floor are the "palaces". They are triple rooms. The occupants of these two rooms usually can show you how to have a good time. This is because they practice having fun all night long. These people are: Ralph Robinson, "Mobe" Thompson, and John Hannibal in the first "palace", and in the other room is Mike Brunner, Harry Dawson, and Don Mosites. These fun lovers are also joined with Mark Fleck and Lee Tippett. These are all of the occupants of the second floor, except for the prectects; Blaine McCann and Tracy King. The students figure they won't be bothered because Tracy is usually sleeping, and Blaine is always playing Stratomatic Baseball.

The first floor has many more occupants. Most of them seniors. They include such persons as quiet Bob Sands to the talkative Tom Wehe. There are many others including the great A.V.

experts Greg Makhov, Bob Swain, and Harold Stewart; the Skoal men Dan Stilz and Charlie Toutillotte; the cool dudes Al Lynch, Mat Lucas, Jim Pranis, Tad Imbrie, and Howard Rosenfeld, and finally a few average people, Andy McGregor, Dave Freedman, and Dave Cress. This floor is under the rule of Head Pretect Dave DeSimone and his side-kick Rick "stretch and smiles" Juve, Steve "MacBear" McNeal, and last of all Dan "Corry" Katulich. The people that everyone seems to forget are the dorm masters. On the second floor is the swinging bachelor room of Mr. Dirk Tacke. Mr. Tacke is a good guy from his Saturday night television deliveries to his professional talks about skiing.

The first floor Dorm Master is Mr Depew. He is a great guy, but has one problem, the occupants of the "palace" above his apartment Mr Depew also keeps order during study hall and after 11:00 lights out.

Being absolutely serious, MacColl Hall is the top to its residents.

# MacColl Hall

McClintock Hall is often referred to as "the mansion" by its juniors inhabitants. McClintock became a very popular dorm this year because of its convenient location. It is directly across from the New Dining Hall and adjacent to the field house.

Mr. Fabian is the squire of "the Mansion". With the help of McClintock's prefects Mr. Fabian keeps the dorm peaceful.

McClintock has a strange combination of students. Starting with Chien and Fowles directly across from the bathroom: Jeff ("Cat") Catanzaro, Charlie ("telephone") Diez, Super Joe D'Onofrio, Pat Greenwell, Dave ("Lerch") Iammarino, J. D. ("Thunder thighs") Nicholson, Chris ("Chipmunk") Chalko, "Tusmo" Sasser, Mark ("Space") Maggio, Joe ("Hard Guy") Topel, Joe Amy, Tom Gainer, and Mark ("Cheenee") Borraccini round this group of Torrance rejects. This strange mob is

under the direction of a group of good senior prefects Frank Sedlacek, Vance Goble, Jeff Henry, and Elliott Rulin. With this conglomeration of misfits there is never a dull moment. If Mosites comes down, you can expect that something is sure to happen. McClintock also has the neatest day room and the best T.V. reception of any dorm on campus. This has to be because of its heavy usage during the year. The recreational facilities around the dorm abound. McClintock is the only dorm on campus, (except maybe Daub) that its own golf course in the backyard. For the fisherman, there is the pond in the back; although we may have to fish a few students out too. All in all, in spite of Mr. Fabian's kids waking up at 7:00 A.M. on Sunday mornings, McClintock is one of the best dorms in the best location with the best bunch of guys there is on campus.

# McClintock Hall

Daub Hall KNEELING: Howie van Huttel Rich Warren STANDING: Rich Locke Brett Auer Carl Adams Jeff Birrel Tim Kilbride Bob Webster Tom Leydig Rich Strasser Bob Webster Carl Adams Dale Tandy Mark Braxton Holland Gilmore MISSING: Kevin Wick

Daub Hall is the smallest dorm on campus, but it is unique due to those who reside there. Daub Hall is located under Mr. Kozub's apartment. Unlike in other dorms, Daub Hall residents do not separate into various cliques, because it has a well balanced mixture of "cool" residents. The dorm has remarkable compatibility, from "cool's TV" to Fred's Area.

The dorm contains many different characters. On a typical day you can see Jetty and Brody playing their guitars anywhere they can, in their rooms, in the day room, even in the bathroom. Sports have slight influence in the Daub, there are a few jocks in the dorm. Under the title of water logged swimmers there are Brett Auer and Cool Carl Adams; next, Rick Wolfson is called "Runfer Fun" by the rest of the dorm. Well, so

much for the jocks. The rest of the dorm is just a good mixture of guys including a couple of really crazy people, from Kevin Wick who salutes his Tennessee flag every morning, to Tom Leydig "load", who sometimes doesn't get up in the morning. Somewhere between Kevin and Tom fall Rich Locke, Craig Jones, Tim Kilbride, and Jeff Birrel. There are two more; the dorm's constant funny man Holland Gilmore, and the dorm's token honor student Rich Strasser.

This great collection of students is under the prectorial guidance of Bob Webster and Howie vanHuttel. When they aren't sleeping they're not in the dorm!

There is a great atmosphere around this dorm. Except before History finals. All things considered this has been a great year for us.

## Daub Hall

Wilson Hall FIRST ROW Tony Boova Jim Saumby Pat Gentile Andy Nesky Rob Milsom Charley Conarro SECOND ROW Don Elliott, Jon Ritter Dave Levy, Greg Manuel, Dan Horgan Barry Katz THIRD ROW Pete Kurtz Bob Ruddock Dean Marra Mark Burnett Denny Schremmer Ed Denny Mike Schremmer Bob Gates Glenn Taylor

Wilson has to be the unique dormitory on campus. The two floors provide amazing contrasts. Personalities range from those who constantly study to those who haven't opened up a book all year. There are also those people who don't know the difference between a football and a basketball, as well as those who have lettered three times this year.

The dorm masters are Mr. Whitehead and Mr. Lane, who also differ quite profusely. Mr. Whitehead attended Kiski. He graduated from college two years ago and just this past summer was married and moved into Wilson. Mr. Lane has a longer background in the field of teaching and is still single, but together they benefit the students of Wilson Hall. For instance, they have contests, with Mr. Lane cooking brownies and Mrs. Whitehead baking her sweet sugar cookies.

On the first floor there is Jim Saumby and John Clark. When they are not arguing they're sleeping. Barry Katz and Pete Kurtz are the intellectual

couple in the dorm. The second floor has made up its own fraternities. They are all real good buddies. Mark Burnett and Dean Marra are good roommates and floor clowns. Mike Schremmer and Ed Denny swim in their rooms. Tony Boova pins his roommate Glen Taylor three times a day. In Dan Horgan's and Don Hammel's room it's a 24 hour "Let's Make a Deal."

On Saturday night, the most active, one will find one of the following going on in the dorm: 'Burn Out' looking for his matress in the maid's closet; Schremmer playing cards with Hamme and losing; Moon River; Milsom, Gentile, and Boova having a rumble; Kurtz being beaten upon by his prefects; Hammel taking another shower in between card games; and of course Andy is studying.

Last but not least are our prefects. They just happen to be the most popular on campus. Hard-nosed Rob Milsom and Pat Gentile aren't so hard nosed. Robert Gates and Jon Rutter present an even atmosphere on the second floor, and we are glad. We are all just one big happy family and a lot of memories have been made from this brotherhood.

Clark Hall is the largest and therefore the busiest dormitory on campus. It houses sixty student in four quadrants. Each quadrant is a unit of thirteen or fourteen students and two prefects

Clark Hall houses mostly sophomores, but with its large day room and pool table it has been the site of many gatherings.

Mr. Porsche Mr. Stokes, and Mr Neill run the dormitory efficiently. Of the eight prefects, Lou Tripoli has the distinction of having been with the class of 1978 last year in Fisher Hall. The other seven prefects include such famous per-

sonages as Rick Short, Mike D'itri, Bill Wenger, Don Corace, Vince Siciliano, Chip Nardi, and Randy Kilbride. The prefects and the students take pride in the fact that they are members of Clark Hall. The prefects feel that the boys in Clark are one of the best group of young men around. This is what really makes up a dormitory. It is not the steel and concrete but the people inside that give a dormitory its reputation. This year Clark Hall's reputation is very good with the class of 78. The 1975-76 school year was a very good one for the Clark Hall family.

Fisher Hall FIRST ROW Joe Govi Jim DiMarzio, Clyde Foster, Gerry Reed, John Zold, Jim Hoffman, Mike Sablaney, John Park, Jim Nard, Luke Rock, Alan Armstrong, Tom Jones, Matt Morris, John Moorehead, Neil Thompson, Dave Currie, Jeff Markowitz, Charley Roberts, Alan Katz. ON SHOULDERS Dave Wick, Barry Haffner, Jeff DiMarzio, Ray Vintilia, Joel Bamonte MISSING Tom Reminger, Henry Rusbarsky Warren Reage Sandy Pidgeon, Tim Schremmer, Sam Barron, Doug Johnston

Looking for a freshman? You'll find him at Fisher Hall. Well, just about every freshman, that is. Day students like Hunter, Remaley, and Whitehouse may be found in Saltsburg. Heaven knows where they'll be.

Life in Fisher Hall begins early in the morning around 5 to 7:30 A.M. People like Tim Schremmer who are in Varsity Swimming have to get up around 5:30 A.M. Poor Jeff DiMarzio, who is the Schremmer's roommate, gets the bad part of waking up with Schremmer while still trying to get a good-night's rest. At 6:00 in the South Wing Bamonte's radio is on full blast. This really irritates Joe Govi a lot, who is the prefect in that wing. About thirty minutes later, Armstrong's alarm goes off. You hear a violent struggle all of the sudden in which the alarm clock is shut off ten seconds later. After a while you soon hear the dorm coming alive. People start to clean their rooms, empty their wastebaskets, talking or shouting at each other, like Barry Haffner, who is known for being the big-mouth of Fisher Hall. He can be heard clear down to the other end of the hall everytime he opens his mouth. Then you hear the banging of the hallway doors. Everyone is starting to leave. Rock and Armstrong are usually the first to leave for breakfast. Some people although they have yet to finish their daily chores, are not finished yet. They just get an itch to know what the weather is going to be like today or tomorrow. So they walk over to the double wing towards the rooms of Clyde Foster and Ray Vintilia, where Clyde has the written forecast of the weather on the right side of the door. If you want to know what the weather is

going to be like later on in the week, you'll have to ask and hear it from the weather man's mouth. After all that has been done and everybody has left the dorm, Mr. Turley comes around for his daily room inspection. So far, its been a neat week! Soon people start coming back from breakfast. People like Moran go down to the Dining Hall just to have their attendance taken.

In the afternoon, after classes are over, students head back to the dorm, and the first thing they do is look at the bulletin board to see if their rooms were messy. As I said, "It has been a very clean week." With the exception of Alpert, who leaves one or two pieces of paper on the floor, room inspection is good. People in Freshman Basketball or those having sports at 3:15 leave the dorm at 3 o'clock. Then again the dorm is left alone for a while where it can remain very peaceful and quiet until the students come back from afternoon sports.

At around 5:30 P.M. people start getting ready to go to dinner. Persons like Hoffman and Moorehead, have a fast game of Foosball in the day room before they go. At 6:00 no one, unless he wants to starve and get hours for it, is left in the dorm. Coming back from dinner, certain people like Katz and Zold have to be in their rooms for early study hall. They cannot come out of their rooms unless they ask Currie or Pidgeon for permission. They are prefects along with DiMarzio and Govi. Then at 7:30 the whole dorm goes into study hall which goes on until 9:30. Sometimes the students are visited by teachers like Mr. Murgiano and Mr. Pidgeon himself. When study hall is out there is a frenzy among the students. All are rushing to places they want to go. At 10:10 P.M. a warning of five minutes is given by all the prefects. This is a warning that everyone should be in their rooms with their lights out at 10:15

## Fisher Hall

But again, people like Morris and Reminger are caught with their lights still on. Mr. Turley and Mr. Shupe come around the rooms saying good night. Mr. Turley does it most of the time.

Once every odd blue moon Mr. Nichols grunts from his hovel, "Goodnight all you bunch of donkeys!" When everything is quiet and the hall lights go off, another day at Fisher Hall ends.

Tomorrow another day, another beginning, thirty years from now it will still be the same at Fisher Hall.
